OVER MY DEAD BODY
MURDER MYSTERY EVENTS

Something Different!

Over My Dead Body offers a unique and engaging experience that combines immersive theatrics, problem-solving, and social entertainment.

Set in a vintage-inspired world, participants step into a thrilling murder mystery where they work together to uncover clues, question suspects, and solve the case before time runs out.

While the event works wonderfully as a team-building activity, it is equally designed to be a memorable social evening where colleagues can relax, laugh, and connect outside the workplace.

Why Us?

Unlike traditional team-building activities, Over My Dead Body blends storytelling and gameplay to naturally encourage collaboration while maintaining a lively social atmosphere.

Participants will:

· Work together to gather and interpret clues;
· Engage in creative problem-solving;
· Communicate and strategise as a team;
· Enjoy a shared social experience full of intrigue and humour.

The event is designed to be inclusive and accessible, ensuring everyone can participate comfortably.

Flexible

Participants can take on characters suited to their personality. Roles are available for everyone, from:

· Outgoing participants who enjoy performing and interacting;
· Strategic thinkers who prefer analysing clues;
· More reserved participants who enjoy observing and contributing quietly.

This flexibility ensures the experience is enjoyable for all personality types and comfort levels.

Interactive Experience

The event includes a variety of props and interactive materials that bring the mystery to life and immerse participants in the storyline.

Guests are encouraged to step into the theme, adding a fun and theatrical atmosphere to the evening.

This experience works beautifully as a corporate social night, whether enjoyed:

· Over drinks;
· As part of a dinner event;
· As a standalone team evening.

The format encourages conversation, laughter, and shared discovery, making it ideal for colleagues to connect in a relaxed environment.
